International Online Session

Barents Euro-Arctic Region versus Coronavirus

September 30, 2021, 11.00 (Moscow time)

Youtube

The history of the Barents cooperation is based on the long-lasting manifold relations that have been created over the years between all its participants who have proved to be reliable partners able to find solutions to the most demanding challenges.

During the IV International Online Session it is planned to discuss the current situation of the Covid-19 spread, vaccination campaign, measures taken to support business in the Arctic, methods of stimulating and attracting investment in the pandemic, as well as the further development of economy of the regions participating in the Barents cooperation.
